

## Columbus Park of Roses 2016 Rose List

### 487 Rose Varieties Currently Planted

**Key:**  
 Bed numbers indicate the location of the current year's roses. You are encouraged to print the list and use it with this map for a self guided tour of all the gardens.

© Friends of Columbus Park of Roses

**Rose List Key:**

Roses are listed alphabetically with rose name (variety/color/location). *Example:* Chrysler Imperial (HT/Deep Red/NA).

**Variety Key:** Rose varieties starting with H indicate a hybrid of two varieties.

- |                |               |                |                       |                 |               |                  |                    |
|----------------|---------------|----------------|-----------------------|-----------------|---------------|------------------|--------------------|
| A = Alba       | CL = Climbing | E = Eglantaria | Gr = Grandiflora      | HT = Hybrid Tea | Moy = Moyesii | Pol = Polyantha  | Sp = Species       |
| B = Bourbon    | D = Damask    | F = Floribunda | HM = Hybrid Musk      | K = Kordesii    | Msk = Musk    | Rg = Rugosa      | Spn = Spinosissima |
| C = Centifolia | CL = Climbing | Ft = Foetida   | HP = Hybrid Perpetual | Min = Miniature | N = Noisette  | Rub = Rubiginosa | T = Tea            |
| Ch = China     | D = Damask    | G = Gallica    | HR = Hybrid Rugosa    | M = Moss        | P = Portland  | S = Shrub        |                    |

**Location Key:** Refer to the Main, Heritage, Earth Kind and Herb Garden maps for orientation.

- |  |                                  |                       |
